Ships Store Coming Soon!

We are making great
progress in rebuilding our
beloved Ships Store.

In the meantime we have
Valentine's Gifts for your
special someone at the
main office!

EXCITING NEWS awaits boating enthusiasts and lake lovers as Cedar Mills Marina undergoes a remarkable transformation in our Middle Cove introducing an additional 30' and 40' covered slips.

The newly constructed Middle Cove is tentatively scheduled to debut in late spring 2024 with a grand total of fifty new slips. The decision to introduce additional covered slips stems from the outpouring of power boating interests on Lake Texoma. The convenient location of the Middle Cove centers it directly in the hub-bub of Cedar Mills Marina & Resort, along with picturesque surroundings and the tranquil water is the perfect place to meet the boating needs of new customers.

As the anticipation builds for the grand unveiling of the Middle Cove, boating enthusiasts are encouraged to contact the Main Office to get on the wait list. As the construction progresses, we will begin pre-leasing these slips on an annual basis utilizing the wait list.
