## Exciting Marina Refurbishment Underway!

If you've been by the South Cove recently, you may have noticed construction activity on Q Dock. Our crews are hard at work replacing several slip fingers, adding new foam, replacing braces, C purling and installing a new roof. These repairs are expected to be completed before the end of September—just in time to enjoy the fall season and great fishing on the lake!

We're also looking ahead! Plans have been submitted to the Corps of Engineers for the refurbishment of J- Dock - 50' open slips in the North Cove and the enhancement of P-Dock - 40' covered slips in the Middle Cove.

We appreciate all of our customers that have hung tough when times were rough showing their true passion for boating and love of Lake Texoma and Cedar Mills! BIG THANK YOU!

Because of our customers, we are a highly motivated team working to create a bigger better Cedar Mills Marina & Resort - A place you'll be proud to call home on Lake Texoma!
