## Keeping Cedar Mills Safe, Secure, and Welcoming

At Cedar Mills Marina and Resort, your comfort and peace of mind are a top priority—and our dedicated Marina Security team, plays a vital role in making that happen. Dwayne Landry and Reggie Moore work diligently behind the scenes and on the docks, to help ensure every guest, boater, and visitor enjoys a safe and relaxing experience.

Our security team routinely checks the docks to make sure lockers and gates are properly secured, reports any security light outages, and inspects buildings to ensure they are locked and protected. They watch over Vacation Homes and become familiar with their owners' vehicles. They also monitor visitors entering and exiting the marina, helping maintain a safe and orderly environment throughout the property.

Beyond security patrols, our team is always ready to assist—whether helping marina customers and visitors with questions, assisting Boaters, RV and Cabin customers or even assisting other employees with a busy weekend. Their presence offers reassurance and reflects our commitment to both safety and hospitality.

Big shout out to Dwayne & Reggie for a job well done!

## Yearly Launch Ramp Passes are available at the Main Office

## 2026 New Year's Boating Resolutions – Marina Edition.

- I will resist the urge to “test” my horn at 6:00 a.m. (the fish and my neighbors thank me)
- I will check the fuel gauge before leaving the marina—not after I’m halfway across the lake.
- I will not test the depth of the lake with my propeller.
- Cease “barking orders” at my spouse/first mate while docking or launching my boat.
- I will finally learn the difference between ‘port’ and ‘starboard’ before I accidentally have a boating mishap...again.
